17 January 1957

Dear Henry:

Reference is made to our Contract No. SC-56 with LAC.

It is requested that you determine the amounts spent for salaries and travel during the period of approximately 1 April 1956 through 30 June 1956. Hal and Bob in Schedule II of their letter of May 29, 1956 set forth actual and estimated amounts for these categories.

Also, Doug has indicated to me that he would like for you to investigate and verify the propriety and cost of travel and related expense of [REDACTED] of LAC. It is understood that his travel was performed about July 1956.

25X1A

This request of Doug's can be complied with when convenient for you. However, your early reply of our other request will be appreciated.

Very truly yours,

GEORGE
